CARE INSTRUCTIONS OILED BOARDS

1. These boards are made from solid wood and finished with a food grade oil

2. Clean using green/rough side of a sponge with detergent and running water

3. Rinse under warm water DO NOT put in dishwasher or leave in standing water

4. Wipe down with a cloth and allow to air dry

5. Generously re-oil with Mineral Oil on a daily basis

6. Ensure boards can air dry in a wire plate rack
