---

### Material Information

This product is made up of various components.  
Slate Top - Natural slate with a mineral oil finish.  
Cool pack - PET plastic.  
Tray - plastic.  
Wooden Tray - Lacquered Timber.

### Cleaning & Maintenance

This product should be washed by hand only. Slate is a natural material and needs to be handled carefully to avoid chipping.  
Wash with mild soap, water and a soft cloth.  
Leave to dry in a rack, or dry with cloth.  
We recommend re-oiling the surface with Craster Mineral Oil regularly to protect the slate and maintain a slightly polished look.

### Caution

“DO NOT use abrasive scourers on this product.  
DO NOT clean in the dishwasher.  
DO NOT leave to soak in water.  
Cool pack should be checked regularly to ensure the product is sealed.
