---

### Material Information

This item is made from solid oak with a Mineral Oil finish.

### Cleaning & Maintenance

Timber products should not be placed in the dishwasher.

Clean with a non-abrasive cloth using soap.

Rinse under running water to remove all detergent.

Dry by wiping off excess water with a towel, and leave to fully dry in a rack with the end grain exposed until fully dry - do not stack this item until dry.

This product should be re-oiled on a regular basis to maintain the natural oak.

We recommend using Craster Mineral oil.

This product should be re-oiled as soon as it begins to feel dry.

### Caution

DO NOT clean in the dishwasher.

DO NOT leave to soak in water.

DO NOT use under Heat Lamps.

DO NOT use on hot plate.

Caution - strong coloured foods may stain oiled wood - use greaseproof paper for protection.
