### Material Information

These items are made from food safe stainless steel with a brushed finish. Stainless steel is a resilient material but care should be taken to ensure it remains looking good.

### Cleaning & Maintenance

Stainless Steel and PVD are suitable for use in a dishwasher, however for best results we recommend washing by hand. Wash with mild soap, water and a soft cloth. Dry thoroughly after washing.

### Caution

DO NOT use abrasive scourers on this product.  
DO NOT use any cleaning agents designed to remove tarnish/rust such as acidic or caustic agents or bleach.
