<b>Revision Date</b>	24/09/2019

### Material Information

This item is made with an MDF core, with HPL surface and PU edging.

### Cleaning & Maintenance

- To clean wipe with a damp cloth
- Do not clean with abrasive cleaners or scouring pads
- Clean spillages with neutral detergent diluted in warm water
- Never use sharp objects such as knives directly on the surface of HPL
- Use a protective pad underneath hot objects or ovenware

### Caution

DO NOT use abrasive scourers or cleaning products as this will damage the HPL surface.  
DO NOT put hot objects or ovenware directly onto HPL surface.
