Codes	TO_MOD_TP31LAM01, TO_MOD_LP31LAM01, TO_MOD_TP21LAM01, TO_MOD_LP21LAM01, TO_MOD_FP31LAM23, TO_MOD_FP31LAM13, TO_MOD_FP21LAM12
COO	United Kingdom
Materials & Finishes	MDF core, HPL surface, ABS edging
Product End Use	Display Trolley
Revision Date	17/03/2023

Material Information

Fare Trolley Laminate panels are made from an MDF core, with High Pressure Laminate (HPL) surfaces, and ABS edging. Panels are reversible, with one side containing a Black Marble finish, the other a White Marble finish.

Cleaning & Maintenance

Craster recommends cleaning panels with a non-abrasive cloth using a mild detergent. Ensure all detergent is removed with damp cloth and dry thoroughly with a soft towel to prevent water spots.

To protect the laminate surfaces, Craster recommends using a trivet or protective pad underneath hot objects or ovenware.

Caution

Do NOT use abrasive scourers or cleaning products as this will damage the HPL surfaces. NEVER use sharp objects, such as knives, directly on the surface of HPL.
