cra'ster

PRODUCT DATA SHEET

Product Supplier	Craster
Product Name	Tilt Mini Smoke Glass Jar
Codes	BU_GJ102
COO	China
Material	Blown Crystalline Glass
Finish	Smoke
Product End Use	Food Presentation
Declaration of Compliance	This product meets the requirements of BS 6748:1986+A1:2011 and EC Regulation no. 1935/2004.
Revision Date	19/10/2026

Material Information
This item is manufactured from blown crystalline glass.

Cleaning & Maintenance
Craster recommends cleaning the glass with a non-abrasive cloth using a mild detergent. Ensure all detergent is removed with damp cloth and dry thoroughly with a soft towel to prevent water spots.

This product is also suitable for dishwasher cleaning. We recommend a gentle wash up to 40°C (104°F). Following the primary cycle, finish with a rinse cycle to reduce the build up of detergent as if left, this can form a film on the glass.

Caution
Handle with care to prevent impact damage
DO NOT use abrasive scourers or harsh cleaning pads as these may permanently scratch the glass.
DO NOT use with hot liquids and AVOID extreme thermal shock (sudden temperature changes)
