

Product Name	Stak Table Laminate Panels
Codes	SV_MODT21_TLB42, SV_MODT21_SLB42
COO	United Kingdom
Materials & Finishes	MDF core, HPL surface, ABS edging
Product End Use	Display Table
Revision Date	17/03/2023

Cleaning & Maintenance

Craster recommends cleaning panels with a non-abrasive cloth using a mild detergent. Ensure all detergent is removed with damp cloth and dry thoroughly with a soft towel to prevent water spots.

To protect the laminate surfaces, Craster recommends using a trivet or protective pad underneath hot objects or ovenware.

Caution

Do NOT use abrasive scourers or cleaning products as this will damage the HPL surfaces.
NEVER use sharp objects, such as knives, directly on the surface of HPL.

Company Address
