<b>Revision Date</b>	18/03/2025

SV\_MOD21\_FR

SV\_MODT21\_FR

## Material Information

This item is made from mild steel with a powdercoated finish.

## Cleaning & Maintenance

Clean with a non-abrasive cloth using a mild detergent.

Clean with damp cloth to remove all detergent.

Dry by wiping off excess water with a towel, and dry thoroughly.

Small scratches can be touched up with Craster touch up pens.

We recommend periodically checking that all fixings and castors are tightened on a 3 monthly basis. Refer to assembly instructions.

## Caution

Do NOT use abrasive scourers or solvents as this will damage the powdercoat.
