

Product Name	Tilt Porcelain Bowls and Platters
Codes	BW_CR1501, BW_CR1502, BW_CR1503, BW_CR1601, BW_CR1602, BW_CR1603, BW_CR1701, BW_CR1702, BW_CR1703, BW_CR1801, BW_CR1802, BW_CR1803, BU_PP1501, BU_PP1601, BU_PP1701
COO	Indonesia
Material	Porcelain
Finish	Glazed (Gloss)
Product End Use	Food Presentation
Declaration of Compliance	This product meets the requirements of BS 6748: 1986
Revision Date	23/05/2025

BU\_PP1701

BW\_CR1502

**Material Information**

All Tilt porcelain bowls and platters are made from vitrified porcelain with a food safe, gloss glaze finish. All products can be used in a microwave.

**Cleaning & Maintenance**

Craster recommends cleaning bowls and platters with a non-abrasive cloth using a mild detergent. Ensure all detergent is removed with damp cloth and dry thoroughly with a soft towel to prevent water spots.

These products are also suitable for dishwasher cleaning. We recommend a gentle wash up to 40°C (104°F). Following the primary cycle, finish with a rinse cycle to reduce the buid of detergent as if left, this can form a film on the porcelain.

**Caution**

DO NOT use abrasive scourers on these products as they may damage the glazed finish.  
DO NOT store in direct sunlight to avoid discolouration and material degradation.  
AVOID exposing products to sudden changes in temperature; this can cause the bowl to crack.
