Product End Use	Food Presentation
Declaration of Compliance	This product is in compliance with EU No 10/2011 EU Article 3 1935/2004
Revision Date	10/12/2018

Material Information

This item is made from solid oak with a Mineral Oil finish.

Cleaning & Maintenance

Timber products should not be placed in the dishwasher.

Clean with a non-abrasive cloth using soap.

Rinse under running water to remove all detergent.

Dry by wiping off excess water with a towel, and leave to fully dry in a rack with the end grain exposed until fully dry - do not stack this item until dry.

This product should be re-oiled on a regular basis to maintain the natural oak.

We recommend using Craster Mineral oil.

This product should be re-oiled as soon as it begins to feel dry.

Caution

DO NOT clean in the dishwasher.

DO NOT leave to soak in water.

DO NOT use under Heat Lamps.

DO NOT use on hot plate.

Caution - strong coloured foods may stain oiled wood - use greaseproof paper for protection.
