Bedroom

Craster is renowned for supplying beautifully-crafted products to hotels across the globe. Our heritage lies in creating elegant in-room dining and service trays, a product area we still pride ourselves in.

From amenities presentation to tea service and luggage racks, Craster products have been gracing the rooms of premium hotels for over 30 years. Alongside our catalogue products, we also offer a bespoke product design service, working closely with our clients to create unique in-room guest experiences. Some products may be available at MOQ.

“Bedroom and hospitality are our heritage; this is where the Craster story began. Now, more than ever, we are delighted to offer this range of luxurious, intelligently-designed products that enable hospitality brands to engage with their customers and generate loyalty.”

Wave Tray

Understated elegance complements the underlying innovation behind the Wave Tray. Designed with a robust non-slip rubber over moulding, the tray surface will never peel, meaning reduced replacements and a dishwasher safe, hard-performing finish.

The tray's miniature locating feet are intelligently engineered to allow for aeration when stacked, with no water build up or residue, enabling reduced maintenance and a consistent, high-quality experience.

Intelligent and Bespoke

Craster offer an integrated design and manufacture service for premium hotel, retail and restaurant groups. We empower our clients to communicate the values of their brand through the fabric of design.

DESIGN

We bring a unique blend of values to our design process, combining curiosity, integrity, sustainability and exceptional quality. Our inhouse development team draws on its extensive industrial design experience, category knowledge and market awareness to create truly unique and compelling products that live and breath our clients' brand values.

DEVELOPMENT

Working closely with our manufacturing partners in Europe and the Far East, our in-house design and development team manage the product development process, to bring your concepts to reality.

DELIVERY

Our in-house supply chain oversees and controls the whole manufacturing and delivery process. And with warehouses in the UK and USA and global distribution partners, we manage a robust end to end fulfilment service for many of our global clients.

Design Studio

Bespoke Products

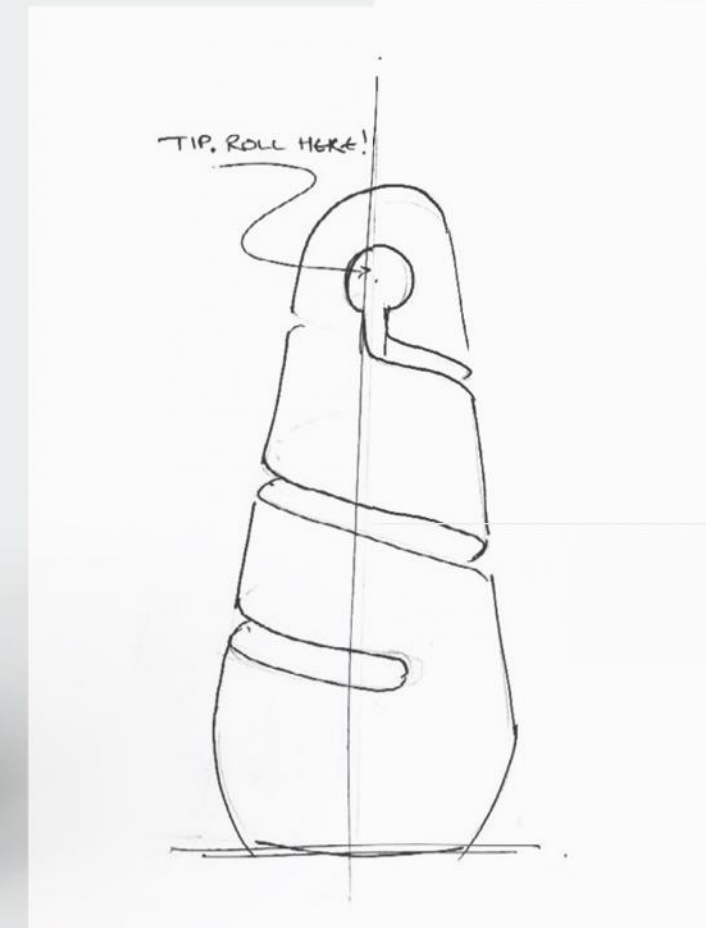

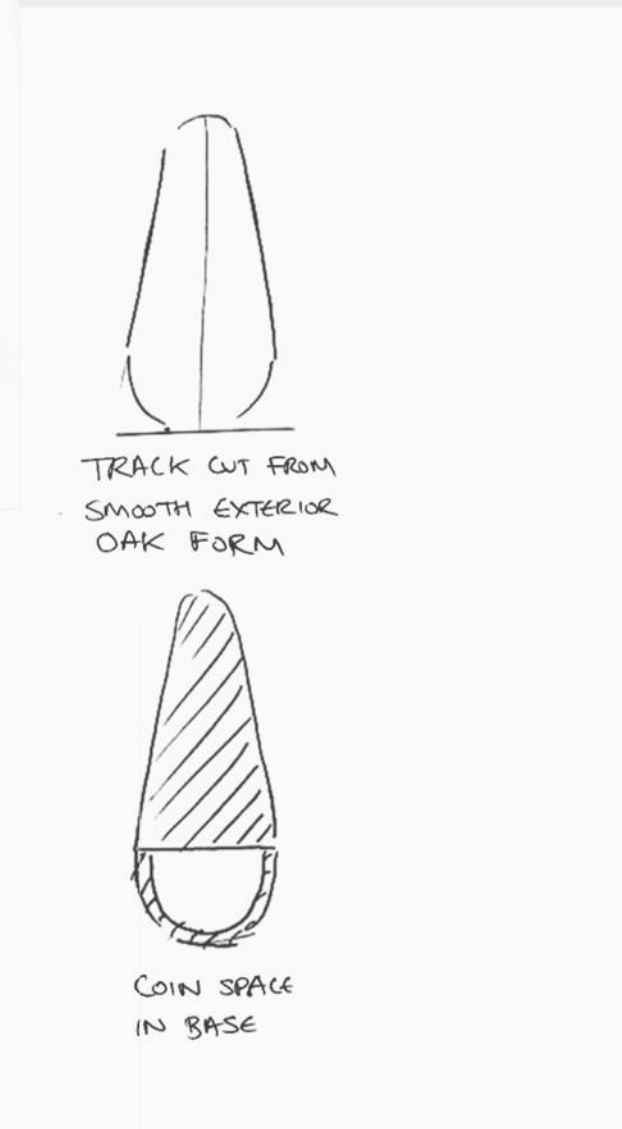

The Craster Design Studio is a collective of experienced designers project managers focusing on product creation for the hospitality industry.

In close partnership with our clients, we draw on our extensive design experience, category knowledge and market awareness to create bespoke products tailored to specification.

Manufacturing and Supply

Once the concept is approved, the Craster Design Studio executes a product sample which will then proceed through a rigorous quality control procedure to ensure the best solution.

Upon joint approval, the product will progress to full production and delivery.

Space Planning

Introducing PLAN

The Craster PLAN tool offers the ability to curate Craster product in real time, with 2D and 3D interior layout tools to help you choreograph guest circulation and public spaces.

This tool is currently available for use for end-users and Craster partners, offering easy set up and reconfiguration for F&B buffet displays and conference and event spaces.

2023 hosted a variety of successes using PLAN, most notably with the Four Seasons Gresham Palace in Budapest. Leveraging this service, they were able to design a custom trolley and buffet set-up in accordance with their room dimensions, ultimately enhancing the guest experience.
