Talented Table Top Service

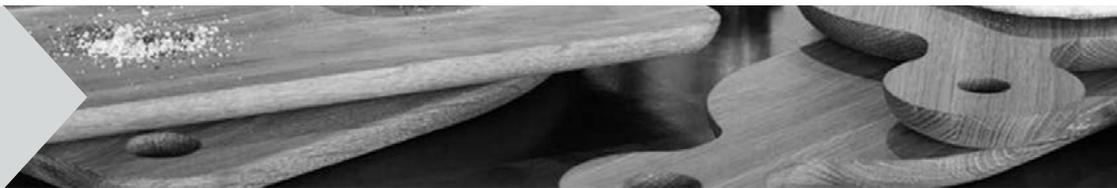

With almost 30 years' experience designing, manufacturing and delivering intelligent products to five-star hospitality establishments across the globe, Craster is proud to support our clients in a dynamic, ever-evolving industry.

Our capsule collection of hygiene-conscious table top and single-serve products has been carefully selected from pieces favoured by names like Alain Ducasse, Calum Franklin and Pierre Gagniar.

"Now as ever, we have placed the needs of a health-conscious public and experience-led clients at the heart of how we design. As always, we have listened closely to our partners, their requirements, and their challenges to support them with new products that deliver exceptional experiences that delight and reassure." - Alex Craster
